

Specifications:

Model Number:	WF100
Item Type:	RGB Controller
Features	control RGB, cold white ,warm white and single led lights
Warranty:	2 years
Certification:	CE, FCC, RoHS
Remote Distance:	50m
Colour:	Black
Power Source:	DC
Connection Mode:	common anode
Work temperature:	-20-60°C
Supply voltage:	DC5-24V
Output current:	4A*3
Output control:	Control 3CHs,2CHs,1CH
Out-put control:	control RGB, cold white ,warm white and single led lights
Static consumption:	360mW
External dimension(single):	107*65*30 mm
Packing size:	160*95*50 mm
Weight/Gross weight(single):	246g/330g
Receiving sensitivity:	802.11b DSSS(-5dBm),802.11b CCK (-10dBm),802.11gOFDM(-15dBm)
